The Hunter Passage 42 blends center cockpit comfort with surprising performance. The Hunter Design Team directed by Warren Luhrs has brought you a contemporary cruising boat with bluewater capabilities.

Her powerful masthead rig, roller furling jib and cockpit line handling make those long passages truly enjoyable. There is even a double sun pad for those long lazy afternoons.

Below, the 42 is truly a work of art. Designer fabrics, hand rubbed teak, and Corian® counters provide the warm, friendly atmosphere, while her 14' beam gives the spaciousness you need. Weekender or liveaboard, you won't find more in any other boat her size.

The incredible salon is perfect for dining in or entertaining the crew. Any mate will appreciate the layout of the fully equipped galley. Refrigerator / freezer, LPG stove with oven, microwave and storage galore will change your outlook on cooking aboard.

Privacy is paramount for extended cruising and the Hunter 42 with its two stateroom, two head design keeps it that way. The sumptuous master stateroom offers a queen size walk around berth, incredible storage and

While everyone else was complaining about the high cost of marine hardware and accessories, Hunter was doing something about it. The Hunter Cruise Pac® was developed to make all the accessories and hardware you need standard equipment. We buy top-quality gear in very large quantities. The result? Equally large savings. The Hunter 42 Cruise Pac® isn't just sails, winches, and running rigging – it's things like an anchor, fire extinguisher, life jackets – even a copy of the "Basic Cruising Manual" by U.S. Sailing. We invite you to compare the Standard Equipment list below with that of any other manufacturer. You'll discover that Hunter is going the distance for you with more – and better gear. For less.
