

356 SOP PORT AND STARBOARD DECK ORGANIZER INSTALLATION

1. The deck organizers are located on the top of the deck, port and starboard of the top hatch.
2. Center the deck organizer on the raised embossment so the end with the vertical pin is facing forward-outboard then mark the mounting hole locations.
3. Drill the marked hole locations with a 13/64" drill bit then tap the holes using a 1/4-20 tap.
4. Dremel the holes to expose raw edge of glass (only edge of hole).
5. Clean the surface of the deck and hardware with alcohol.
6. Caulk the mounting holes with designated caulk (See page 1 #1).
7. Secure the deck organizer to the deck with the designated fasteners.
8. Clean up excess caulk using alcohol.

#	#Ea.	Description	Size	Part #
1	2	Deck Organizer	Quad 40MM	303542
2	8	Organizer Fasteners	1/4-20 x 2" P/H	467110
